

**East Chestnut Street Mennonite Church
GAS TAX LOG***

I want to contribute \$ _____ /gallon of gas I buy

Date	Gallons Purchased	Gas Tax Amount
Contributed to church fund: Date _____ Amount _____		

Creation Care Fund

To care better for God's creation, we will voluntarily cut back on our use of fossil fuels and other resources whose use harms our environment.

We also choose to offset some of the negative effects of our lifestyles. To do this, we will contribute a personally determined "gas tax" to the Creation Care Fund by donating an amount correlated to the amount of gas we put in our vehicles. The money from this fund will be used for projects that protect our environment within our congregation and beyond.
